Mix It Up: \$295

Get your very own mixologist and come up with your unique signature drink.

Your mixologist will have a consultation with you and discuss your drink choices. They will then mix up the drinks of your choice where you will have a special tasting. Once your drink is to your liking, your mixologist will batch up your favorite drink for service at your event.

Shopping is included in the price. Once your mixologist shops for you, they will send you the a receipt for payment of the supplies.
